Our Delating Society has nad under consideration the question, "Which has been most latal to the human race—War or Intemperance?" and the conclusion is said to have been that war has been the chief destroyer. We think this an error. True, countless millions have perished in the shock of battle. Sesustris, Alexander, Hamilial, Casar, Tamerlane, Jenghis Khan, Napoleon, have reddened the cartif's surface with dood, and have caused untold misery. But they marked distinctive eras old misery. But they marked distinctive or between which long periods of peace prevails landreds—nay, countless the . . .ds in land, are suffering from this curse. Yet, tended as is this evil, there are those who it by advertising postilerous mixtures, under TT. W. McGill and Wm. F

SPECIAL NOTICES

Let Us Protect Ourselves. The physical structure of the strongest hu man being is vidorrable everywhere. Om relies are endowed by nature with a certain ierative power, which protects them, to some relied on in undealthy regions, or under cinostances of more than ordinary danger Therefore, it is wisdom; it is prindence; it is

dy to Dyspepsia, there is no medicine that will confere with to Whoever saffers the paics of indepestion, anywhere on the face of de earth where HOSTETTER'S STOM-

ACH BITTERS can be produced does so vo utiniay; for as saidy as truth exists, this invanable tome and alterative would restore his dis ordered stomach to a healthy condition. To the nervous it is also especially recommended. and in cases of confirmed constipation it als affeeds speedy and permanent cure

In all cases of lever and ague the Butters more potent than any autount of quinine, while the most dangerous cases of bilious lever yield to its wonderful proprieties. Those who have tried the medicine will never use another, for any of the adments which the HOSTET TER'S BITTERS professes to subduc. To those who have not made the experiment 3 ordially recommend an early application the Bitters whenever they are stricken by di case of the digestive organs.
